

READING THE NATAL CHART – FIRST STEPS

NCGR Online Education Program

Created by Meira Epstein, C.A., NCGR-PAA

www.bear-star.com

In this 9 weeks course, we focus on reading the natal chart, applying principles from the material that is equivalent to Level-I and Level-II courses, as well as other sources – all of which will be demonstrated with charts. The goal is to provide a structured, systematic approach to the natal chart reading:

Identify the person in the chart, the personal circumstances of life, the major issues, potentials, material resources, and more.

See the list of topics below.

NOTE: This course is suitable for everyone, regardless of whether you have taken Level-I or Level-II classes. Familiarity with basic astrology concepts is recommended.

Total of 9 weekly sessions. Each session is 1.5 hr.

Start date: Tuesday, February 28, 2017. 7:00-8:30 PM, US Eastern Time

Cost: \$400
